

Apostolic Bible Church

Praise the Lord dear brothers and sisters in Christ!

Scripture tells us very clearly: go and preach the Gospel to every creature! It is such a joy to be able to share the love of Jesus and the hope that He gives with someone who is hungry and thirsty!

We have some wonderful news we would like to share with you! As you know the main outreach for our church for the last few years have been the Youth Camps! We can see how God is working and doing great things! We have won so many souls to the Lord through these camps! We can see that this method works and

we want to use it again and again! Please do not think that I will talk about our Maykop Youth camp again in this newsletter. Of course I would like to do that...but I want to

talk about the Youth Camp we were able to put together in the country of Belarus. My wife is originally from that country. We feel the great connection with the church where she got saved and thanks to your great help and support dear American brothers and sisters in Christ we were

able to put a Youth Camp together in the country of Belarus. It is a former Soviet Union country and is situated in the middle of Europe. It is a very closed country. There is no free speech there and there are only a few churches there. It is almost impossible for a Missionary to go and preach there.

Thank God we have good relationship with them and we are allowed to enter that country. So, thank God and your great financial support we were able to help them to have a Youth camp! It was a tremendous event! We had the camp for 5 days in a nearby forest. We have about 70 Youth attending!

Apostolic Bible Church

Thanks to your great financial help Youth did not have to pay for their camp!

They have no funds to pay for themselves and that is where all of you step in! You pay for their camp! Thank you! With your great help and support we were able to feed everyone three meals a day for 5 days! We were able to rent and to bring there a generator to produce electricity. We had speakers, amplifiers, guitars there! We had Bible Studies, seminars, lots of fun Youth activities, awesome praise and worship and great services! Mainly we were able to feel

God there! His presence was so awesome and real....you could feel it...

As a result of God's touch many people gave their lives to Jesus Christ and some were filled with the Holy Spirit! Some answered the call and were baptized in Jesus name in the water by their Pastor Oleg there! It was just overwhelming to see that lives changed

and hearts touched by saving power of our Lord Jesus!

In the very end we want to thank you again for your great help and support and your prayers! Without you, your prayers and your support the Youth Camp in Belarus would not happen and Youth there would never possibly hear the Gospel and the Good news of Jesus Christ! Thank you from the bottom of our hearts! Thank you Jesus! We greatly appreciate you! We want ask you, please continue to pray for our country, our church and families, please... as we pray for you, your family, your church and your country every single day. We love you all and are very

thankful for everything you have done and are doing for us: for every penny, every prayer, and every thought.

We appreciate and love you all! God bless you!

Rev. Vitaly

Greetings in Jesus Mighty Name!!!

We are joyful to write this Newsletter as a blessing of our ministry to update what we practice and do according to word of the lord. We are Harvest Church emphasizing for the manifestation of God through us to the whole world. Our Faith of statement is to believe in trinity of the God, water baptism, Scripture that God has

inspired to revelation people for his glory, also we believe in baptism in Holy Spirit, and anointment of gifts in believers.

We are established in the firm word of the lord and without any denominational value but we are charismatic in worship, Pentecostal in practice and conservative in faith.

Our Vision, mission and Goal:

1. To see the whole Nepal be transformed by the word of the lord according to Matthew 28:18-20
2. Reaching the unreached through various activities like medical camp, providing community based child care, and medical facilities to poor and needy communities. Isaiah 61:1-3
3. The vision of ministry is NAHUM 2:2 and 2 CORENTHIANS 5:18-19. We would like to emphasize on the reconciliation and restoration in the relationship between GOD and this generation, be saved.
4. The mission of the Church is to empower the church in Holy Spirit for the demonstration of God's Love to the whole world. John 3:16
5. To run the Children care centers and raise them as missionary and good manner of word of the lord. We support children at risk like street kid, poor and needy (financially and socially) and Orphans. Luke 18:16, Psalm 127:3

Recently, the lord has granted us a opportunity to baptized new believers who were attending our service and raised in faith of Jesus Christ Our Lord and savior.

We are glad to inform you concerning children ministry that we are doing which is enormously growing and every week the number has been mounting. The goal of this ministry is to make known this generation to the lord Jesus Christ to each and every child and currently we are running Bible study groups for the Children, there are two categories for the Bible study like one for teenagers and one for the under10 group. Normally we amuse with them and share the gospel and tell the Bibles story. We are as Church praying for the ministry and need of each ministry.

Church Planting Locations and leaders:

In present context we are three different locations of Nepal, Kathmandu, Lalitpur and Gaur in Low land region. The areas are as follows:
